Date :

Research and Development Cell

Envisaging the promotion of quality research, the institution has established Research and Development Cell to develop and strengthen the research ecosystem aligned with the Provisions of NEP- 2020. The Cell will be led by the faculty as follows.

Dr.S.Rajendran, Chairperson

Dr.D.Kathiresan, Coordinator

Dr.M.Meena, Member

Dr.A.Manivel, Member

The functions of R&D Cell include

- Monitoring and maintaining the integrity and ethics of the research activities of the Academic Departments.
- Building research capacity of the faculty members and scholars through various activities and the events related to research.
- Creating a research eco system for reliable, impactful and sustained research output.
